

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF DELTRAN, INC.        )        CASE NO. 96-303

O R D E R

On June 27, 1996, Deltran, Inc. ("Deltran") filed by tariff for an increase to its monthly reservation charge for storage service effective August 1, 1996. By Order entered July 5, 1996, the proposed tariff change was suspended up to and including January 1, 1997 pending further review by the Commission.

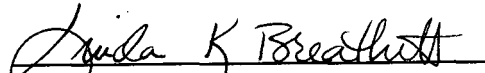

After considering the record in this case and being otherwise sufficiently advised, the Commission finds that Deltran provided sufficient cost support for its proposed monthly reservation charge of \$52,477 to demonstrate its reasonableness and that it should be approved effective August 1, 1996.

IT IS THEREFORE ORDERED that:

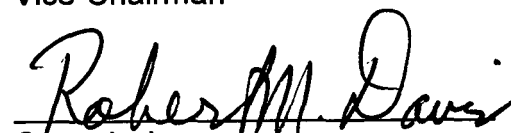

1. Deltran's proposed monthly reservation charge for storage service of \$52,477 is a fair and reasonable rate for such service and is hereby approved effective August 1, 1996.
2. Deltran shall refile its tariff within 30 days of this Order reflecting the reservation charge for storage approved herein.

Done at Frankfort, Kentucky, this 1st day of August, 1996.
